

# BIRDS OF PREY

## What can I do to help?

ShareScreen Africa

Lobby governments to deal with electrocution issues.

**Report Raptor Sightings**

ebird, GRIN, iNaturalist, Afring

**Nest Monitoring & Reporting**

ebird, GRIN, iNaturalist

**Artificial nest sites & boxes**

Platform nests in tall trees & owl boxes

**Restore Habitats**

Especially natural holes in old trees

**Don't use poisons at all!**

Rather encourage owls!

Be part of the raptor education movement across Africa.

They are the only nesting place for so many raptors.

**Leave dead trees alone!**

**Cover water tanks & Reservoirs**

Actively reduce drowning events

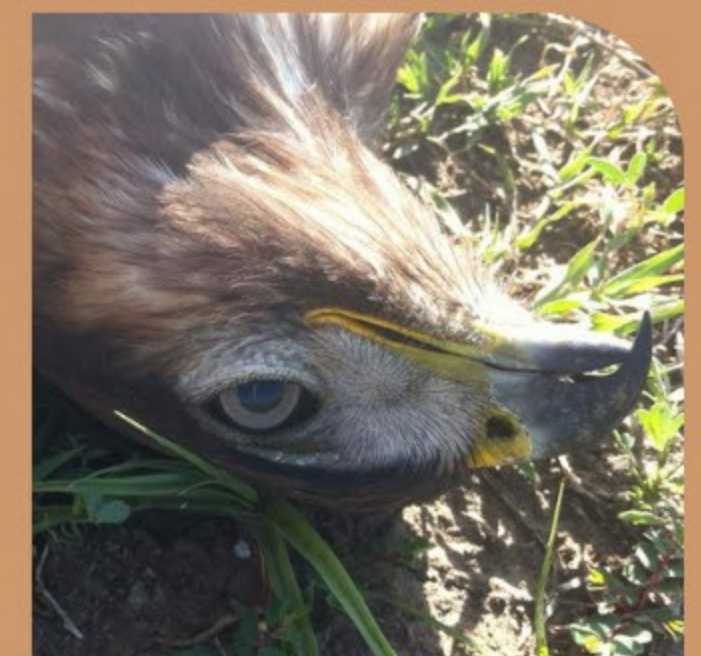

**Create water exit points**

Ramps, dead tree branches, etc

**Actively Stop Persecution**

Including fly-by-night raptor centres & lead poisoning from ammunition.

**Join anti-poisoning campaigns**

Actively stop the poisoning!
